Music Madnes

Where C = B^b = E^b

An afterschool enrichment class for middle school musicians.

We will explore multiple genres of music under the guidance of Fred Steiner PVPHS music director, and high school student mentors. Our primary aim is to light a spark that will sustain students for a lifetime of musical enjoyment and achievement. Sixteen weeks of instruction will culminate in a concert performance on May 21st.

This program is open to all PVPUSD intermediate students playing band instruments (brass, winds and percussion). Please email bentz@pvpusd.net for other instruments. We will challenge advanced students and boost beginners.

Date: Mondays, January 22-May 21, 2018
Where: Palos Verdes Peninsula High School
Music Room
21118 Silver Spur Road
