

COMING IN FEBRUARY

Offered through PVPUSD Enrichment, this program is open to all PVPUSD intermediate students playing band instruments (winds and percussion). We will challenge advanced students and boost beginners. *Look for enrollment information in early 2019.*

Our primary aim is to light a spark that will sustain students for a lifetime of musical enjoyment and achievement.

Explore multiple genres of music under the guidance of Fred Steiner, PVPHS music director. Play with and learn from high school music student mentors.

9 weeks of instruction will begin on Monday, February 25th and culminate in a concert performance on Monday, April 29th. (please note, no class during spring break on Monday, April 1st)
